Medical Information

The information provided is being obtained for the purpose of ascertaining relevant medical information, requirements and other health care related needs about a student who is currently enrolled at the school and who may participate in school excursions, sporting activities or other educational or school activities conducted by Glendale Technology High School

It will be used by officers of the NSW Department of Education and Training to assist planning, to support students, and to minimise risks when conducting school excursions, sporting or other school activities. The Department will not cover medical costs resulting from illness or accidents during the time of the excursion

Other persons or agencies that may be provided with this information include, but are not limited to, volunteers and members of external organisations who join with the school or are otherwise involved in the planning or delivery of the excursion, sporting or other school activity; and persons that may be called upon to provide health care treatment or other assistance during or as a consequence of such excursions or activities.

Provision of this information is not required by law. However, a failure to provide the information may mean that your child can not participate in a particular excursion or school activity. In such circumstances the school will make available a sound alternative educational experience.

Provision of this information will significantly assist the school in planning a safer educational activity. It will be stored securely. If you have any concerns about provision of this information, please contact the school principal to discuss further.
