School Cross Country Carnival

Dear Parent/Guardian/Carer,

This is to inform you that the annual **Glendale Technology High School Cross Country Carnival** will be held on **Wednesday 10th April 2024**. The carnival commences inside the school grounds and moves to the area surrounding the school, finishing on the school oval.

This is a **compulsory** event for all students in years 7-12. All students are required to participate in their age division (*the age they turn THIS year*).

In 2024, we will once again have the **short course option** that includes a shorter track variation to the full course.

Students will attend period 1 and 2 as normal. The first event will commence approximately 11:50am and students will attend period 5 after the carnival. Students with an AIM Score average greater than 7 will attend the rewards activity during period 5.

All students are expected to attend the event as classes will not operate during the Carnival. A record of attendance will be kept for the day.

If your student is unable to participate in the Cross Country, please complete the below slip and return to student services by **Friday 5th April 2024**.

Kind regards,

Leigh Whitehead
Sports Teams & Carnivals Coordinator

Anthony Angel
Principal
