Description:	<p>During this semester your child will be visiting two local childcare centres. To start with, the visits will be mainly observing the carers and how they interact with the children. As they become more familiar with the environment, they will become more actively involved in the sessions.</p> <p>After each visit they will be required to fill out a reflection form. Within this they will focus on areas such as your positive and negative experiences, plus key lessons learned.</p> <p>This is a fantastic opportunity to experience some of the dedicated work that goes into childcare and in two of our most local centres.</p> <p>Attending staff: J.Powell</p>
