## If you are looking for an app...

Name	About	Website
Calm Harm	Calm Harm provides tasks that help you resist or manage the urge to self-harm. You can add your own tasks too and it's completely private and password protected.	Free App Store Google Play
Clear Fear	The fear of threat, or anxiety, is like a strong gust of wind. It drags you in and makes you want to fight it or run away.  Instead, face your fear with the free Clear Fear app and learn to reduce the physical responses to threat as well as changing thoughts and behaviours and releasing emotions.	Free App Store Google Play
ReachOut Worry Time	ReachOut WorryTime interrupts repetitive thinking by setting aside your worries until later, so you don't get caught up in them and can get on with your day. This means you can deal with worries once a day, rather than carrying them around with you 24/7	Free App Store
ReachOut Breathe	ReachOut Breathe helps you reduce the physical symptoms of stress and anxiety by slowing down your breathing and your heart rate with your iPhone	Free App Store
Smiling Mind	Smiling Mind is a meditation app for young people. It has been developed by a team of psychologists and uses mindfulness to boost calmness, contentment and clarity. Mindfulness meditation has been shown to help manage stress, resilience, anxiety, depression and improve general health and wellbeing.	Free App Store Google Play
WellMind	WellMind is designed to help you with stress, anxiety and depression. The app includes advice, tips and tools to improve your mental health and boost your wellbeing.	Free App Store Google Play
