

Accessing the Student Portal

Either go to the schools website (https://glendale-h.schools.nsw.gov.au) click on the About our School and then Parent/Student Portal. Or alternatively type the web address glendaleths.sentral.com.au and click on Student Parent Portal

Once you have clicked on either of these links

Enter the same username and password that you use to log onto the computer at school. Without @detnsw, for example billy.blogs

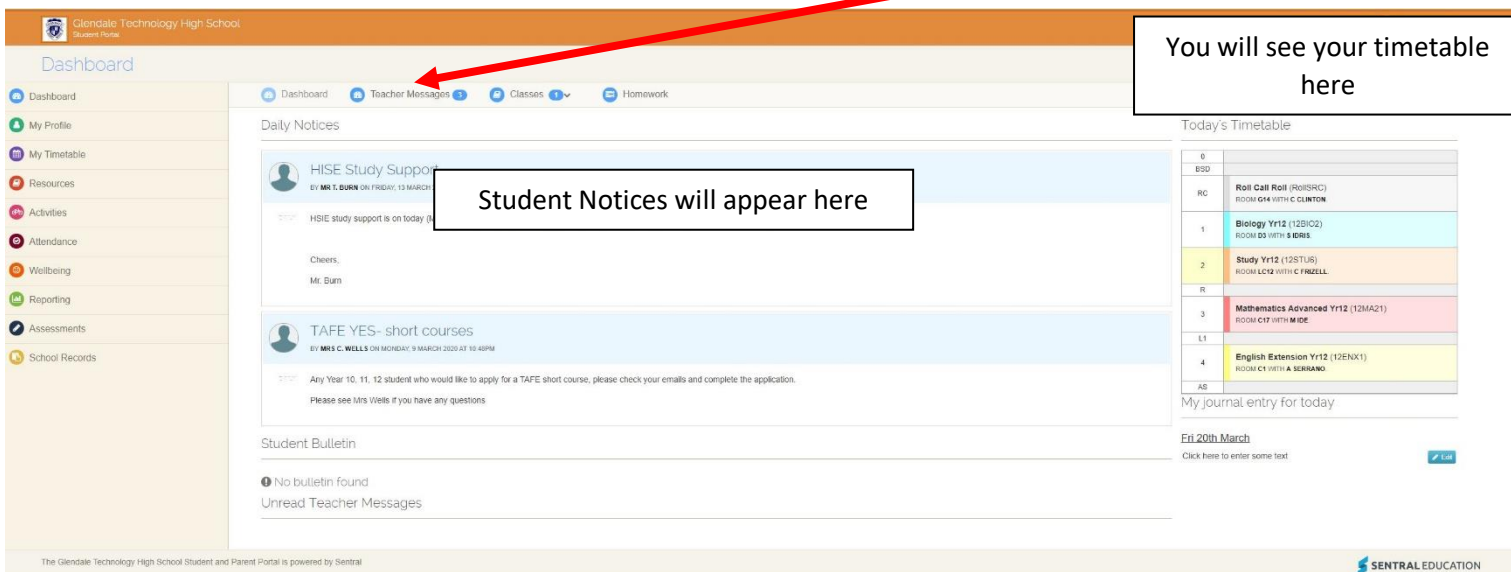

Once you have logged into your student portal you can:

- View your timetable
- Read the student notices
- Send a message to your teacher
- Read message from your teacher
- Look at previous school reports
- Look at the tally of your positive and negative Entries.

Click on teacher messages to either view message or send messages

You will see your timetable here

Student Notices will appear here

To send a message to your teacher, click on your teachers name and then type your message, just like an email.

Send a message

Choose a teacher from the list below to send a message directly to that teacher.
